Description

Something To Be Proud Of. For more than 140 years, the University of Massachusetts has provided high quality educational opportunities for Massachusetts residents and for students and faculty from all over the world.

UMass Amherst, the flagship campus of the University of Massachusetts system, sits on nearly 1,450-acres in the scenic Pioneer Valley of Western Massachusetts, 90 miles from Boston and 175 miles from New York City. The campus provides a rich cultural environment in a rural setting close to major urban centers. With a diverse student body; award-winning faculty that includes Nobel Laureates, Pulitzer Prize winners, members of the National Academy of Sciences and the Institute of Medicine, American Book Award winners, and Fulbright, Guggenheim, MacArthur, and Mellon fellows; more than \$400 million in funded research; affordability combined with generous financial aid-it's no wonder UMass is rated among the best universities in the world by the Times of London.
