Description

University of Iowa Health Care is a fully integrated academic medical center, uniting the UI Roy J. and Lucille A. Carver College of Medicine, University of Iowa Hospitals and Clinics, and UI Physicians, the largest multi-specialty group practice in Iowa. As the state's premier academic medical center, UI Health Care provides high quality, patient-centered care, conducts groundbreaking biomedical research, and educates the scientists and health care providers of the future.

The University of Iowa Roy J. and Lucille A. Carver College of Medicine is a nationally ranked medical school whose students learn to become accomplished clinicians and top-flight researchers.

Office of Cultural Affairs and Diversity Initiatives

Launched in 2008, the Office of Cultural Affairs and Diversity Initiatives works closely with other administrative offices and community partners to foster an environment where all members of the UI Health Care community feel welcome. The Office supports the UI Health Care community of students, faculty, post doctoral scholars, staff, residents and fellows in conjunction with the tripartite mission of the academic medical center.

Examples of Office sponsored programs and events include:
Diversity trainings and professional development programs
Networking events for medical students and residents/fellows
Diversity Dialogue Circles
Welcome programs for new students
Human Rights Week Events
