Corporate address: 14710 West Dodge Road, Suite 100, Nebraska, Omaha,

Description

Founded in 1959, Lamp, Rynearson & Associates has grown to be a multi-disciplinary design firm. Our firm is made up of over 130 talented men and women, providing services from three office locations, Omaha, NE; Fort Collins and Lakewood, CO; and Kansas City, MO.

Our services include survey; civil, structural, aviation, transportation, water rights and water resources engineering; planning, landscape architecture, construction administration, aquatics, water supply planning, water well and pump systems, wastewater, stormwater and drinking water. Our urban planning, landscape architecture, and land planning professionals offer our clients creative, sustainable, workable design options. We are experts in leading land development and redevelopment projects. Graphic design, GIS, 3D visualization, and other illustrative technologies are used to showcase projects and ensure success.

To "infuse sustainable design principles into our projects" is a strategic goal at Lamp Rynearson. As a leader in the civil engineering field in the adoption of sustainability for civil infrastructure projects in financially beneficial ways, Lamp Rynearson has applied innovative thinking to find a better, more sustainable way to get successful project results. Lamp Rynearson has five LEED accredited professionals on staff.

Purpose Statement -- "Leaving a Legacy of Enduring Improvements to Our Community."

Lamp Rynearson is a great place to work. Our employees are dedicated, experienced individuals who bring enthusiasm and a desire for excellence in everything they do. Our firm's culture is friendly and innovative, and is based on ethics and collaboration. Our management truly cares about the well-being and advancement of our people, which is evident in the benefits and programs offered to its employees

Wellness Program

Lamp Rynearson cares about the well-being of its employees, and supports an employee-led wellness program. The program was started in 2006 to promote activities and knowledge regarding wellness to those in the firm.

Community Involvement

Supporting employee volunteer programs allow Lamp Rynearson's staff to develop personal relationships in the communities we serve while sharing our human resources with non-profit organizations in need.

Sustainable Efforts

Sustainable design principles are incorporated throughout our project work company-wide. Lamp Rynearson is proud of our sustainable design community leadership and have been recognized for our efforts.
