Description

The American Academy of Neurology (AAN), established in 1948, is an international professional association of more than 30,000 neurologists and neuroscience professionals dedicated to providing the best possible care for patients with neurological disorders. The AAN is strongly committed to its mission and focuses its efforts on ensuring the reality of the principles and standards set forth in the AAN mission statement.

Vision: To be indispensable to our members. Mission To promote the highest quality patient-centered neurologic care and enhance member career satisfaction.

Core Values:

Leadership:

We provide guidance and inspiration through education, information, policy development and advocacy for our members and their patients

Integrity:

We set and maintain the highest ethical and professional standards for ourselves, our staff and our programs

Professionalism:

We work with expertise, commitment and diligence to provide high quality neurological care

Commitment:

We are dedicated to upholding the integrity and mission of the American Academy of Neurology

Respect:

We embrace the dignity and uniqueness of every human being and in all we do keep the interests of the patients first

Compassion:

We are sensitive and empathetic to the needs of others
