Title: Operator #376

Date Printed: 05/30/2017

Job Posted On: 05/11/2017

Posting Expiration Date: 06/11/2017

Work Location: Jacksonville, Florida,

Description

This position will work rotating 8 and 12 hour shifts with a current schedule of 32 to 40+ hours per week. This entry level operator position is responsible for assisting in all aspects of producing polyester resins while working in a safe and clean manner. These functions include, but are not limited to, getting raw materials required for production, adding raw materials into production vessels, loading finished products into tank trucks and drums, completing data entry of inventory movements and performing general housekeeping tasks. The majority of work takes place outside, therefore working in hot, cold and wet weather is often required. All required personal protective equipment such as hard hat, steel toed shoes, safety glasses, uniforms and respirators will be provided by the Company.

Work Location: Jacksonville, Florida Job ID# 376

DUTIES AND RESPONSIBILITIES:
