### Description

#### ATTENTION FAMILY NURSE PRACTITIONERS - IUPUC

Indiana University-Purdue University Columbus—has delivered high-quality undergraduate and graduate degree programs aligned with and responsive to regional educational needs since 1970. Enjoy interacting with students, faculty, and staff who are committed to making a difference in the future of our region. Become part of an exciting opportunity to help build our Nursing programs.

A Nursing faculty appointment at the rank of Clinical Assistant Professor is available August 1, 2017, in the Indiana University School of Nursing at IUPUC. **The position is a ten-month teaching assignment with primary responsibilities for teaching in the nursing baccalaureate tracks and potentially in the MSN family nurse practitioner program.** Clinical teaching assignments may be in healthcare settings in the region such as area hospitals. Teaching in the summer is optional. Scholarship of teaching, service, and clinical experience are expectations for appointment to the clinical track.

### Required Skills

An earned doctorate in nursing, or a doctorate in a related field, is preferred; a master's degree in nursing is required. Current certification as a Family Nurse Practitioner is required. Candidates must be eligible for licensure as a registered nurse in Indiana. Two years of current clinical experience are required.

Preferences include prior teaching experience, experience in family practice, and successful teaching at the university level. Strong oral and written communication skills are a must.

IUPUC is located in Columbus, Indiana, and has a staff of 63 full-time faculty with excellent

credentials and enrolls between 1,500 and 1,800 students annually. Columbus is located one hour south of Indianapolis, 1¼ hours from Louisville, and 1½ hours from Cincinnati. Columbus is a unique midwestern community with a population of 46,000 known for its world class architecture. The American Institute of Architects ranked Columbus sixth in the nation for architectural innovation and design – right behind Chicago, New York, Boston, San Francisco, and Washington, D.C. There are wonderful programs for young children, many parks, excellent philharmonic orchestra, and people trails. The community is also well known for its culture and its predilection for innovation.
