

Title: Instructor (Anesthesiology and Perioperative Medicine)

Date Printed: 07/25/2017

Job Posted On: 07/13/2017

Posting Expiration Date: 08/13/2017

Work Location: Birmingham, Alabama,

Description

The Department of Anesthesiology and Perioperative Medicine (Division of Molecular and Translational Biomedicine) seeks to hire a full-time non-tenure, non-tenure earning Instructor to conduct research activity.

Duties for this position will include analyzing experiments, publishing papers, reviewing articles and book chapters while collaborating with research investigators as well as submit grant applications.

Required Skills

Qualified individuals will have substantial research experience. The individual will develop and implement research projects with a focus on cellular and molecular mechanisms governing endothelial cell pro-inflammatory phenotype transition under physiological and pathological condition and mechanisms underlying hypoxic pulmonary vasoconstriction with particular emphasis on the role of Ca^{2+} and nitric oxide as well as Na^+ -dependent signaling pathways. The successful candidate will hold a Medical Degree (or equivalent) from an accredited institution.

Comments

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation.

UAB also encourages applications from individuals with disabilities and veterans. A pre-employment background investigation is performed on candidates selected for employment. In addition, physicians and other clinical faculty candidates employed by the University of Alabama Health Services Foundation (UAHSF) or other UAB Medicine entities must successfully complete a pre-employment drug and nicotine screen to be hired.

Kind: Full Time
