Description

Children's Healthcare of Atlanta is recruiting talented people who will put our patients first and help make a difference in their lives. Whether delivering world-class care or finding time to brighten a child's day, it's our employees that make Children's such a special place for thousands of pediatric patients each year.

As one of the nation's leading pediatric healthcare systems, every role at Children's is an important one. We all work together to provide the best possible care to the kids we serve. We also take care of each other. Children's offers a variety of resources and programs to support employees professionally and personally, which is one of the many reasons Fortune magazine has ranked us as one of the "100 Best Companies to Work For" for 11 consecutive years.
