

Title: Web Specialist

Date Printed: 08/24/2017

Job Posted On: 08/08/2017

Posting Expiration Date: 09/08/2017

Work Location: Reno, Nevada,

Description

The University of Nevada, Reno seeks applications for a Web Specialist to be responsible for coordinating the University Libraries' web presence. The position is responsible for the ongoing technical management, updating, and repair of all server-side and client-side code on which the Libraries' website is built. This includes routine maintenance and content upkeep as well as design and quality assurance activities. The position maintains public access to the databases underlying the Libraries' various web services. The position collaborates with librarians and the Library Applications Specialist to implement new aspects of the website such as new pages, functionalities, and design.

Required Skills

The preferred candidate will have a working knowledge of responsive web design and universal design issues; experience with standard front- and back-end technologies such as HTML, CSS3, JavaScript, the .NET framework, and C#; and experience with database design and content management systems. The Libraries emphasize excellent communication, collaboration, and interpersonal skills and a strong service orientation. Required: Bachelor's Degree from an accredited institution and two years of related experience or a Master's Degree from an accredited institution and one year of related experience

Salary is DOE. This is a full-time administrative faculty position.

Benefits

A competitive benefits package includes full retirement and health insurance benefits, 24 vacation days per year, and tuition benefits for self and dependents. No state income tax.

Comments

About us: The University of Nevada, Reno is the land-grant university and major research

institution in the state with a student body of 22,000. The University Libraries include the main library in the Mathewson-IGT Knowledge Center and the DeLaMare Science and Engineering Library. The Mathewson-IGT Knowledge Center, which was completed in 2008, is a campus showpiece providing high-tech research, presentation and computing spaces, and inviting study areas. The DeLaMare Library is housed in one of the oldest buildings on campus, on the National Register of Historic Places. Together, the Libraries combine traditional library services and unique primary research materials with dynamic collaboration and active learning spaces to meet the needs of university faculty and students. Instructional design, media production, and maker spaces are part of the library organization and we are proud to offer opportunities to collaborate with professionals and technologies in these specialties.

Reno is a metropolitan area of over 400,000 situated on the eastern slope of the Sierra Nevada mountain range. Reno offers a favorable quality of life recognized by numerous national sources. Residents and visitors enjoy an array of cultural activities and major festivals and events. It is an outdoor mecca, located 38 miles from Lake Tahoe and offering abundant summer and winter recreational opportunities. Sacramento and San Francisco are, respectively, two and four hour drives away.

The University of Nevada, Reno recognizes that diversity promotes excellence in education and research. We are an inclusive and engaged community and recognize the added value that students, faculty, and staff from different backgrounds bring to the educational experience.

Kind: Full Time

Level: Professional

Apply

Applications received by 9/11/2107 will receive first consideration. AA/EEO Women, under-represented groups, individuals with disabilities, and veterans are encouraged to apply. Newly hired faculty must have an official transcript of their highest degree sent by the degree granting institution(s) directly to University of Nevada, Reno Human Resources within 30 calendar days from the effective date of employment. References will be verified for finalists in the application process. A background check will be conducted on the candidate(s) selected for hire.
