

Title: Assistant Professor of Physics

Date Printed: 11/19/2017

Job Posted On: 11/14/2017

Posting Expiration Date: 12/14/2017

Work Location: Greeley, Colorado,

Description

This tenure-track position requires a Ph.D. in physics or astronomy, or a Ph.D. in science education with significant graduate coursework in physics. The successful candidate will be expected to teach science methods courses, supervise student teachers, and teach physics and/or astronomy courses for science and non-science majors. Strength in teaching and professional activity, involvement of undergraduates in research, and service to the profession and university are also expected. A history of involvement in K-12 science education is desirable.

Required Skills

- A Ph.D. in physics or astronomy, or a Ph.D. in science education with significant graduate coursework in physics
- Ability to teach science methods courses, supervise student teachers, and teach physics and/or astronomy courses for science and non-science majors.
- Demonstrated strength in teaching and professional activity.
- Plan for an active research program involving undergraduates
- Evidence of service to the discipline.

A history of involvement in K-12 science education.

Comments

Screening of applications will begin on December 4th, 2017 and will continue until the position is filled. Interested persons should apply online at <https://careers.unco.edu> and select "**View/Apply for Faculty Positions**" then choose "**Assistant Professor - Physics.**" Application documents to be submitted online are a letter of application/cover letter, a curriculum vitae, post-secondary transcripts (unofficial are acceptable at this point), and the names and contact information of three references.

A plan for involving undergraduates in research also should be submitted via the online application process in the "Other Document" category. You will also be required to enter the names and contact information for three current professional references who will be asked to upload a letter of recommendation directly onto a confidential portal.

Additional information or questions about the position should be directed to: Dr. Charles Kuehn, Chair, Search and Screen Committee, Department of Physics and Astronomy, University of Northern Colorado, Campus Box 127, 501 20th Street, Greeley, CO 80639, charles.kuehn@unco.edu
