### **CHIEF ACADEMIC OFFICER, THE ACCELERATED SCHOOLS**

**Los Angeles, CA**

TAS has a distinguished history and dedication to its underserved students and community. One of TAS' particular strengths is its commitment to fiscal responsibility that supports a robust educational program, a generous budget, and a strong reserve that has survived with little debt. The three schools are housed in two multi-million dollar, state-of-the-art campuses. The first was constructed in 2003, and the latest is a \$35 million dual-immersion facility completed in 2017. With this foundation, TAS is poised to deliver a world-class, forward-thinking education program for the students in the community. TAS seeks an outstanding academic leader at this critical moment to help set a strategy of success for another generation of students, teachers, and families.
