

Title: Water/Wastewater Senior Project Manager - Date Printed: 03/22/2018
TZA

Job Posted On: 02/21/2018

Posting Expiration Date: 03/23/2018

Work Location: Lakewood, CO,

Description

TZA Water Engineers has an outstanding opportunity for a Colorado-registered PE with at least ten years of experience in water/wastewater project management, planning, design, and construction administration.

TZA Water Engineers is a consulting firm with a 40-year history with dynamic projects, clients and people. TZA specializes in the planning, development, protection and management of water resource projects. Due to the merger of TZA Water Engineers with Lamp Rynearson, and as a result of the growth of the Water/Wastewater Team, TZA is looking to fill the position of Senior Project Manager in its Lakewood, Colorado office.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Required Skills

Qualifications include..

- Bachelor's degree in civil engineering or a related engineering discipline from an accredited college or university.
- Registered Professional Engineer in Colorado
- Ten (10) years of experience in planning and design of water and wastewater infrastructure, including treatment systems, pumping stations, water distribution networks, and wastewater collection systems.
- Exceptional knowledge of Colorado's rules, regulations, and design criteria for public water systems and domestic wastewater treatment works is required.

-
- Ability to work well with, coach, and direct others.
 - Proven ability to develop and maintain client relationships.
 - Strong communication skills.
 - Ability to plan and deliver effective oral and written presentations.
 - Ability to handle and coordinate multiple tasks.
 - Experience in Colorado required
