---

## Description

Qualified applicants seeking opportunities in clinical programs or biomedical and health sciences research programs may find recruitments in The Department of Pediatrics of the University of Pittsburgh School of Medicine Pediatric subspecialty programs:

### **Our Subspecialties include:**

- Adolescent Medicine
- Allergy
- Bone Marrow Transplantation
- Cardiology
- Child Advocacy
- Child Development
- Hospitalists
- Emergency Medicine
- Endocrinology
- Gastroenterology

### **General Academic Pediatrics**

- Hematology/Oncology
- Infectious Diseases
- Newborn Medicine
- Neurology
- Pulmonolog

- Rheumatology

Assistant, Associate or Professor positions in the tenure or non-tenure tracks at the University of Pittsburgh with rank and salary commensurate with experience and academic credentials.

Positions are open to all applicants who hold doctoral level education (MD, DO, PhD), are board certified or board eligible, are qualified for medical licensure in the Commonwealth of Pennsylvania, and meet the minimum position credentials. Opportunities in basic research are dependent on available funding.

Not all divisions have active recruitments, however interested candidates can inquire on potential opportunities available in the Department of Pediatrics by indicating area of specialty and sending CV to Jaclyn Cassidy at [jaclyn.cassidy@chp.edu](mailto:jaclyn.cassidy@chp.edu)

The University of Pittsburgh is an Affirmative Action/Equal Opportunity Employer and values equality of opportunity, human dignity and diversity. EEO/AA/M/F/Vets/Disabled
