Description

Eisai Inc. is a U.S. pharmaceutical subsidiary of Tokyo-based [Eisai Co., Ltd](#), a research-based *human health care (hhc)* company that discovers, develops and markets products throughout the world. Established in 1995, Eisai Inc. began marketing its first product in the United States in 1997 and has rapidly grown to become an integrated pharmaceutical business.

Headquartered in Woodcliff Lake, New Jersey, we are dedicated to a tradition of genuine concern for people and are driven by the desire to help meet the diverse health care needs of patients and their families and caregivers. We are an agile, entrepreneurial organization managed by experienced leadership, backed by the strength, stability and historical successes of Eisai Co., Ltd., which has a strong and lasting commitment to the U.S. market.

Our heritage and mission have earned us recognition as an innovative, efficient, solution-oriented pharmaceutical company - a company that effectively works with healthcare professionals, hospitals and managed care organizations to develop and market specialty products that help address unmet needs. Our ability to forge strong alliances gives us a competitive edge.

In the United States, our rapid growth and strong performance result from putting patients and their families first when making decisions and from empowering the people who manage our operations. Eisai employees personify our values of integrity, respect, professionalism, quality and teamwork.

As you continue exploring our corporate web site, you will learn more about how our commitment to *hhc* is a motivating force for everything we do and everything we produce.

At Eisai, talent is the driving force behind the discovery of groundbreaking drugs and the emergence of new ideas. Working with us will provide you with every opportunity to contribute to our human health care mission and truly make a difference in the lives of patients and families around the world. All while creating a career that leverages your knowledge, encourages innovation, and meets your goals for learning and growth.
